“Old Girl benefactors have helped the School to remain at the forefront of education for ourselves, our daughters, grand-daughters and great-grand-daughters. We would like this tradition to continue for generations to come.

Talking to Old Girls, many of us have never thought of leaving a bequest to the School so that future generations can benefit from the wonderful education which we have received. It is very simple to leave a bequest to the School. If you already have a Will, a codicil will suffice. If you are making a Will, consider remembering Perth College.

I have left a bequest to the School as did my Mother, 1934 Leaver, Joan (Firth) Gordon. We both felt that this was a way to give back to our wonderful School a mere fraction of what we were given.”

Perth College Foundation
As a member of the Jacaranda Society, you will be kept informed about the School's programmes and student achievements, receive a gift of appreciation and be invited to exclusive events.

Membership of the Jacaranda Society is open to anyone who has made a provision for the School in their Will.

Advising the Perth College Foundation of your gift enables us to acknowledge you in person and express our gratitude.

The name of the society was chosen from the School's iconic Jacaranda trees which have become synonymous with the School.

"I decided to leave money in my Will to Perth College because the school continues to promote strong women, and in some small way, leaving some financial amount will add to this great school and future generations of Perth College girls. I would like to encourage you to think about remembering PC when next updating your Will and joining the Jacaranda Society."

Julie (Berrisford) Hooper 1978 leaver and Jacaranda Society Member
